III:

This is an ongoing event that may have limited success without ALOHA Grant support.

IV:

Request \$700.00 to defray the cost of travel for up to 10 Neighbor Island women. This would be distributed as \$70 per player. Un-used funds will be returned to HULA.

V:

Being an island state Hawaii faces unique challenges coming promoting disc related sports among it's entire community. ALOHA Grant sponsorship of the Ultimate Wahine Weekend encourages new and not-so-new lady ultimate players to come to Oahu and share their knowledge, skills and aloha. Coming together builds a more cohesive group and elevates the level of play and commitment to the sport throughout the state.
